## CONFERENCE REGISTRATION continued

- Explanation regarding Creation Museum tickets. If you register by June 1, 2012 and send in your money, it will expedite your registration at Conference and your entrance into the Creation Museum. This is because the names of those individuals will have already been given to the Creation Museum and there will be no need to receive their ticket. See the letter to churches for more information on new exhibits and features at the Creation Museum. Even if you have been there before, there are more new things to see.
- Explanation regarding Cookout tickets. If you wish to eat at the Creation Museum at their pavilion, you must purchase your ticket in advance. This is because the catering people need a count of those who plan to receive this lunch in advance for their planning and preparation. Any individuals who wait until after June 1st, may be able to get lunch there, but they may also not be able to eat lunch there because there will only be a limited number of tickets left after June 1st.
